**REPORT TO THE EVENING WORLD.**  
GUTTENBURG RACE TRACK, May 4.—The managers of Benning's track are having restock with the weather. It was deluge all last week, the only time wished for being a light rain to lay the dust.

The track was granted yesterday, it rained just enough to fulfil all requirements without doing any damage to the track.

Hypothetical was looked upon as a cinch for the evening race, but Maedl upset all calculations.

Ivan Ross was made favorite for the second race, but wasn't in it. Vinton, Time 1-10½, was the third choice.

My Fellow went to the post at 10 to favor the first. The winner turned up in Virginia, as it was a chance, while My Fellow finished last.
